Goodwill Industries of Southwest Oklahoma and North Texas appreciates the continued support of our community. **YOU** are the reason we continue to offer programs and employment opportunities to people with disabilities and disadvantages. Our mission is to “help people with disabilities and disadvantages achieve maximum independence,” and your support is the foundation of our success.

Your continued support enabled us to increase the number of people we served in 2009. Even with state and federal cutbacks, we were able to offer more services to people with disabilities and disadvantages.

If you did not know, **YOUR DONATIONS** were the primary reason we were able to serve 1946 people last year. The majority of our services is reliant on the generosity of our community and the willingness to donate gently used clothing and household goods. The revenue generated by your donations gives us the ability to provide an array of services, such as Adult and Youth Day services, Community Integrated Employment opportunities, Sheltered Workshop programs, and Housing for the Elderly and Disabled.

**We thank you for your support, because it allows us to support our community!**
