Goodwill Industries of Southwest Oklahoma and North Texas is proud to be able to serve our community in many different ways. Our mission is to “help people with disabilities and disadvantages achieve maximum independence,” and your support will always be the foundation of our success.

Everyone knows the economic crisis we have been experiencing, and we were able to increase the amount of people served even through these difficult times. We continue to find ways of supporting our community, and the reason is **YOU!!!**

Sincerity and generosity are continuously demonstrated through your support of our retail program. **YOUR DONATIONS**, just like last year, were the primary reason we increased the number of people served from 1946 last year to 2480 this year. In addition, these gifts provide us other opportunities. For instance, we recognized the amount of money our employees were spending on income tax returns, so we opened 2 VITA sites. The sites were funded by Goodwill. In our first year, we helped over 200 people save hundreds of dollars.

Our employees and clients at the Adult and Youth Day services, Community Integrated Employment, Sheltered Workshop, and Housing for the Elderly and Disabled want to say:

THANK YOU!!!
