

REPORT TO THE COMMUNITY

Goodwill

2011

From the President/CEO
and
The Chairman of the Board

Southwest Oklahoma & North Texas

Goodwill Industries of Southwest Oklahoma and North Texas, Inc. (GISONT) has a mission to “help people with disabilities and disadvantages achieve maximum independence,” and this could not be accomplished without the support from our communities. Two key elements of support led to one of the best years in the history of GISONT.

One element of support is the Board of Directors. The Board consists of local citizens with a giving heart. The visions of these local citizens guide the direction of the organization. The uniqueness of people volunteering to give their time to serve their communities is rare in today’s world, and we are truly blessed by the devotion and engagement of our local board members.

Another element that helped 2011 be one of the best years in the history of GISONT was our donors. Your donations aided us in serving more people than ever before. We created new programs to better serve the needs of our communities, and the best part is that you are the reason we were able to serve so many more people. We could not have achieved these goals without your support. Your donations helped our retail program offer more gently-used items to our communities than ever before. Our success is a direct reflection of our communities support and involvement with GISONT.

We understand the importance of treating our customers with high regard, so we strive to make your donating experience as pleasant and convenient as possible through community donation drives, drive-thru donation centers and home pickups.

Finally, your donations stay within our community to help the community. Your gently used items enable us to provide an array of services ranging from Adult and Youth Day services, Community Integrated Employment Opportunities, Sheltered Workshop Programs and Housing for Elderly and Disabled.

On behalf of GISONT, we want to say “THANK YOU” for caring and giving to your community through Goodwill.

Stewart Johnson
Chairman of the Board

Jimmy L. Crews
President/CEO
